

Recorded Conversations – The lab's Podcast: Unscripted. Unpolished. Unexpected.

The podcast series of the Creative Technologies Lab invites guests into the lab's recording booth to share their individual perspectives, projects, and experiences. In open-ended conversations, visitors from diverse backgrounds reflect on their work and ideas at the intersection of design, technology, and society. Each episode captures a personal voice within the evolving landscape of Creative Technologies—offering insights, inspiration, and moments of exchange.

Prof. Zlatan Filipovic, American University of Sharjah (AUS), College of Architecture and Design (CAAD) being interviewed by Victoria in the lab's little recording booth – June 2025.
