

About Yuni Nguyen

detailed bio

I am a full stack developer, visual artist and music producer, currently trying to find my footing in design.

After my 3 year internship in product design for machine and system construction, I began studying computer science (B.Sc) and am now working for the Creative Technologies Lab and working as a freelancer and as a hobbyist for various passion projects.

expertises and focuses

I can confidently say, that i am proficient and happy to help in the following applications:

1. Visual Art (using various node based applications)
2. UX Design (using Figma)
3. Full Stack Web Development (mainly Nuxt.js, Vue.js, TailwindCSS)
4. Music Production (using Ableton & REAPER)
5. Game Art Design (using Blender and Godot)
6. Product Design (using Fusion 360 & NX)
