

DokuWiki

DokuWiki is a simple to use and highly versatile Open Source  wiki software that doesn't require a database. It is loved by users for its clean and readable [syntax](#). The ease of maintenance, backup and integration makes it an administrator's favorite. Built in  access controls and  authentication connectors make DokuWiki especially useful in the enterprise context and the large number of  plugins contributed by its vibrant community allow for a broad range of use cases beyond a traditional wiki.
